

JOLIMONT NEWSLETTER 13 May 2020
Excellence Respect Integrity Care
2020 Year of Courage. Term 2- Moral Courage

Dear Parents,

To continue to minimise the risk to our community and follow current Government COVID-19 procedures, we are figuring out how we can best resume some of the school processes, with creative alternatives including class assemblies, board meetings and P&C meetings.

Technology will continue to play a part in these processes and we will endeavour to keep you informed of how we intend to shape these during the term.

We have been informed by DoE, the reporting changes for this semester mean there will be subject area comments in Maths, English and a general comment, however no grades are to be included for PP-10 students.

I am sure many of us are looking forward to Monday, 18 May, and the positive changes this brings for many businesses, and group activities. We continue to wait directions from DoE with regards to parents on site and will keep you informed as always.

It is wonderful to see your children enjoying school, learning, and their friends. I have loved watching the growing independence in the morning and the happy transition to school. They have done so well and we are so thankful and proud.
