2021 Year to Flourish Term 1 – Goal Setting

Dear Parents

And just like that we are back up and running. Thank you so much for making the start of school so smooth and such a success for your child/ren.

After visiting all our classes this morning, it was delightful to see so many happy children. Thank you for your support to ensure our current COVID conditions were adhered to and for monitoring adult numbers in classrooms. If we can stick to this routine for drop-off again for the week, that will be fantastic!
