Excellence Respect Integrity Care

2022 Year of Being Mindful

Makuru sees the coldest and wettest time of the year.

Winter Weather Drop-off and Pick-up

Thank you for making the morning and afternoon transitions quick for your children as the car park line up has been longer with such cold wet windy weather.

The City of Subiaco have changed the signs by the rear exit on Roberta St so children and cars have a better line of sight when children cross the road. Please look out for the clear way near the school path.

Excursions

When going on an excursion, please ensure your child is wearing their school uniform, blue jumpers, cardigans, pants/leggings or skirts are most appropriate, with no coloured faction shirts. Also, please ensure your child arrives in the morning on time, with the bad weather this may mean leaving a few minutes earlier.

Planning for 2023

If your child is not returning to Jolimont PS in 2023, please advise the office, thank you. Enrolments for Kindergarten have now closed, information pertaining to days and groups will be sent out by the end of Week 4.

Out of Area

To cater for children moving into the area and accurate student numbers for 2022, we encourage parents who have moved out of boundary to consider relocating their children into their local school. The social development of your child may be best served by enrolling in a local school, with local kids, to help facilitate local long term friendships. Please let the office know if you are moving.

COVID Update

We have received 8000 new RAT tests. These are nasal tests, affectionately known as 'tickle tests'. These will be sent home with your child on Thursday, so please look out for these in your child's school bag.

Commonwealth Games Fun in Room 16

Room 16, are investigating all things geography! Perfect timing for the commencement of the Commonwealth Games! We were fortunate to have a live conversation with four athletes from Australia's Diving Team. They showed us what it is like to be an Australian athlete, provided insight into how they train and explained a day in their life.

Science and Technology Update

Science Week is coming up and Jolimont Primary School are celebrating by taking all of our Year 1-6 students to Scitech for the day. This excursion will take place on Thursday, 18 August, so look out for your permission slips and requests for parent helpers.

Our Year 1 and Year 1/2 classes, have been creating amazing music - in Science class! They have been learning about how sound is vibrations and how it can be produced from home-made instruments.

Our Year 2 students have been building some amazing Rube Goldberg machines. These are machines that do a simple task in a difficult way. Feeding the dog a treat has never been so exciting!

Mrs Joanne Turton Science and Technology Specialist Teacher

Term Calendar

Please see our website or Term Planner [here](#).
Staff Development day is in Week 5 on Friday, 19 August.

P&C UPDATE

Hello Jolimont Families,

Our P&C has an opening for Treasurer- are you ready to join the team? Please email jolimontpspandc@gmail.com and our current Treasurer will be in touch to discuss what is involved.

August is looking busy at Jolimont Primary School with a disco, book fair, quiz night, science week, talent quest, and more.

Book Week Quiz Night Tickets now available: <https://events.humanitix.com/jolimont-book-week-quiz-night>

Book Week also means our annual book fair in Week 6 from Tuesday, 23 August, to Friday, 26 August, open for browsing in the library before and after school. Pick up a new read and raise funds for our school.

Is there a Dad/Grandpa/Uncle in your life who loves Golf, Fish, Donuts, Pizza, Basketball....Toucans? Let his passion walk the talk with funky socks! \$1 from each sale will go to our P&C fundraiser. All orders must be in by Sunday 14 August. Visit <https://sockable.com.au/pages/do-it-for-schools-groups-individual-order> and select Jolimont Primary School in the first drop down box on your order form.

Finally, pop Wednesday, 31 August, in your calendar for our next P&C meeting. See you there!

CANTEEN

Please see link to Canteen menu and how to set up an account [here](#).
